

LCD Color Monitor

Troubleshooting Training

At

The College of Southern Nevada

3200 E. Cheyenne Ave., Rm. 2773

N. Las Vegas, NV 89030

November 12th, 2009

This unique hands-on course is designed to teach you the functional stages and theory of LCD color monitors. It introduces effective troubleshooting procedures and how you apply these procedures on actual LCD color monitors using industry standard test equipment.

Training Cost \$1,495

For more course information call Manus Edwards at (702) 651-4876

(Training is from 9am to 5pm and course fee includes instruction, all supplies & materials, first time new student fee, books and daily continental breakfast, lunch and afternoon refreshments.)
